KATHERINE LEGGE MEMORIAL LODGE

...a quiet, unique, woodland setting for your next gathering...

The Katherine Legge Memorial Park and Lodge are located on 52 beautiful acres of woodland, a perfect setting for any occasion. The KLM Lodge was designed by architect R. Harold Zook and built in 1927. It has been designated as a historic landmark by the Village of Hinsdale. Part of KLM Lodge's charm can be seen in its spiderweb window, a Zook signature he reserved for his favorite buildings.

The KLM Lodge is available for rental to accommodate private and corporate events such as weddings and receptions, business meetings, parties, banquets and seminars. The spacious rooms provide a comfortable, warm atmosphere and a place for recreational activities. KLM Lodge is truly one of Hinsdale's jewels.

Picnics are great fun at Katherine Legge Memorial Park. There are two picnic pavilions, each equipped with charcoal grill, water and electrical access. There are also five permanently installed grills throughout the park. The pavilions and grounds may be reserved by individuals or groups for a fee. Reservations are required for groups of 25 or more or for use of a pavilion. Picnic kits containing bats, balls, volleyball with net, horseshoes, kickball, and frisbee are available for rent at your picnic.

Alcoholic beverages are not permitted outside the KLM Lodge on park grounds.

GATEWAY SPECIAL RECREATION ASSOCIATION

The Village of Hinsdale is a member of the Gateway Special Recreation Association. Current members also include Oak Brook Park District, Pleasant Dale Park District, Burr Ridge Park District, Elmhurst Park District, Westchester Park District, York Center Park District, Village of Willowbrook and the City of Countryside. These agencies have pooled resources to contract with the Ray Graham Association for People with Disabilities to provide recreational services for children and adults with disabilities.

The headquarters for Gateway S.R.A. is in the Anna Emery Hanson Center, located at 59th and Garfield Streets in Burr Ridge. This Ray Graham owned and operated facility is a modern, fully handicapped-accessible building on a 12 acre site. The Hanson Center offers ample indoor and outdoor program space, including a barn and riding corral for horsemanship instruction. Other locations in the eight community area also act as program sites. Gateway S.R.A. offerings are suited to meet a wide range of needs and capabilities.

Gateway's Summer Camps run during the summer months. The camps are designed for children, teens and young adults ages three through twenty-one and include a variety of activities, including swimming,

horseback riding, sports, nature activities, arts/crafts and field trips.

Many programs are offered through Gateway S.R.A. including bowling, bike riding, Special Olympics training, swimming and tennis. Registration for GATEWAY programs are taken at the Anna Emery Hanson Center located at 59th and Garfield Streets.

For families who wish to participate in more integrated programming through their local park and recreation departments, Ray Graham Staff are available to help them choose appropriate park programs, educate the park instructor about special needs the individual may have, accompany the individual to the program until a smooth transition has been made, and act as a resource for the park and recreation department. This service is offered free to residents of Gateway S.R.A. member communities.

Gateway is always looking for dedicated and enthusiastic volunteers to assist with the programs. If you are interested in volunteering, or would like additional information about recreation programs, please contact the Anna Emery Hanson Center at 325-3857.

KIDS COOK DINNER FOR THE FAMILY

Surprise your family with dinner you make yourself! You'll come and make all the preparations for a complete meal for your family! While preparing dinner, we'll focus on nutrition and food prep skills. There are many great reasons to let the kids cook dinner. In addition to the skills of food prep and nutrition, finicky eaters are more willing to sample foods they've prepared themselves. Every child will feel proud of their accomplishments when the whole family raves about their meal. Plus it's a might that Mom and Dad don't have to plan, shop and cook! Let the kids do the work – and they'll love every minute of it! Depending on what we're cooking, something may need to be popped in the oven or microwave when it comes home. Tuitions below are for a family of 4, but if you have a larger family, call Kaleidoscope (708) 246-9699 for added fee for larger family, or if you're planning to have company for this special meal!
