## Safety Tips for Fourth of July Fireworks

Fireworks and celebrations go together, especially during the Fourth of July. But fireworks can be dangerous, causing serious burn and eye injuries. That's why the Hinsdale Fire and Police Departments strongly recommend: **Leave fireworks to the professionals!** If you attend a fireworks display with your family, do not allow your child to pick up pieces of fireworks after an event. Some may still be ignited and can explode at any time. For questions about Illinois fireworks laws, visit [www.state.il.us/osfm/fireprevention/fireworkdisplays.htm](http://www.state.il.us/osfm/fireprevention/fireworkdisplays.htm)
