

LEGAL NOTICE
VILLAGE OF HINSDALE
NOTICE OF PESTICIDE APPLICATION

On or after September 7th, 2010 the Village of Hinsdale will apply chemical pesticides to control weeds at the following locations: Memorial Building, Burlington Park, Burns Field, Stough Park, Hinsdale Community Pool, Eleanors Park, and Veeck Park.

TriPower Selective Herbicide (EPA Reg 228-262) will be used, which will be applied as a liquid spray or from a truck mounted boom. Do not enter this area one day after application.

Health Safety Information relating to this chemical pesticide application will be made available at the Village Hall.
