

VILLAGE OF HINSDALE
DOWNTOWN LAND PLANNING TASK FORCE
REVIEW OF MEETING

NOTE: THESE ARE NOT APPROVED MINUTES

THURSDAY, APRIL 3, 2008

At it's meeting on April 3, 2008, the Downtown Land Planning Task Force met at Memorial Hall and discussed with downtown retailers their relationship with the middle school and the potential scenario of the middle school moving from its location and what type of development they would or would not support. Retailers stated that they, in general, liked having a community resource as an aspect of the downtown and if the site were redeveloped with additional retail space, it should also include a parking component that would support the current parking deficiency in the overall downtown.
