

Dear Sir or Madam,

The Illinois Tollway is planning to reconstruct the Central Tri-State Tollway from 95th Street to Balmoral Avenue. As a property owner adjacent to the Tollway, we would like to invite you to a meeting on March 15, 2018 at 5:00 p.m. to meet with Tollway staff and discuss the proposed project and potential impacts this project may have to your property. This meeting is intended for property owners who may have impacts to their property. There will be additional opportunities for the rest of the community to learn about the project, provide comments and ask questions later this year.

March 15, 2018
5:00 – 7:00 p.m.
Union Church of Hinsdale
3rd Floor Classroom
137 S Garfield Street
Hinsdale, Illinois 60521

The Central Tri-State is one of the most congested segments on the Tollway system, and it is one of the most important roadways in the Chicago region. As the roadway was originally constructed in the late 1950's and is in need of repair, it is critical that the Tollway's near-term investments have long-term benefits. Over the last two years, the Tollway has been evaluating reconstruction alternatives. During this time, the Tollway also hosted public meetings and has met with community leaders of each municipality along the corridor to elicit ideas, identify partnership opportunities, and provide periodic updates.

As we move forward, the Tollway will continue to coordinate with adjacent property owners and local municipalities to seek public input and refine the proposed design of the corridor.

For more information about the project to date, please visit our website:
<https://www.illinoistollway.com/outreach/projects-in-your-community/central-tri-state-tollway-i-294>

We look forward to speaking with you on March 15 at 5:00 p.m. If you cannot attend this meeting, please contact Vicky Czuprynski at 630-241-6800 extension 3963 or vczuprynski@getipass.com.

Regards,
