

## **Solutions Exploration Group (SEG) 4 – Health and Welfare**

### **Platform Statement**

Hinsdale 2025 will help integrate the land use, zoning, community character, transportation, parking, housing, environmental issues, economic development, public infrastructure and public service policies of the community. The Solution Exploration Groups will evaluate a range of remedies to complex municipal issues and anticipate new problems, challenges and interdependencies. A well-researched and principled strategic direction respecting the goals, values and community character of the Village will then be adopted for implementation.

The goal of Health and Welfare SEG is to better serve the social, recreational and safety needs of residents. The role and health of the neighborhood and the social, cultural and recreational programming in the neighborhood and the community will be studied and evaluated. Modifications will be made and enhancements will be encouraged where necessary. In addition, safety, security and mobility needs of residents and constituents will be studied and improvement recommendations will be made.

The Health and Welfare SEG will address the following issues:

- Art and cultural programs
- Park programs
- Youth programs
- Interpersonal behavior
- Railroad crossing safety
- Pedestrian safety
- Traffic enforcement
- Vehicle safety
- Bicycle routes
- Community activities
- Open Space
- Mobility
- Neighborhoods
- Major Intersections
