### Anna Curran: Hinsdale Community Pool Diving Coach

Anna is our new summer diving coach. She began her diving career at age 13 in her hometown of Davenport, IA. She competed one-meter springboard in high school and both one-meter and three-meter springboards for a club team throughout high school. She spent every summer during her high school years at Indiana Diving Camp, where she dabbled in diving off of the ten-meter platform and synchronized diving.

She went to DePaul University and dived for 3 years on their NCAC Women's Swimming and Diving team; she competed on both one-meter and three-meter springboards. During her college summers, she was a counselor and coach at Kanakuk Kamps in Branson, MO, where she coached diving and gymnastics for kids ages 6-10.

After pursuing her Masters in Social Work at Loyola University Chicago, spending time focusing on her career as a Mental Health Clinician and growing her own family, she went back to coaching diving at Northside Diving Club in Chicago, IL. She coached kids ages 6-17, beginners to competitive high school divers, from August 2014-April 2016.

She is now coaching dive clinics and dive lessons at Hinsdale Community Pool for summer 2017.

The Village has posted a bike route through the community which should serve both recreational and functional needs. The route takes the cyclist around town, past many of the parks, and covers a trail of nearly 10 miles. As the route uses existing streets, all cyclists are urged to abide by the rules of the road and obey all traffic warnings and signs. A map of the bicycle route is illustrated on this page, and additional copies are available at the Recreation Office and the Police Station.

**Always practice bicycle safety - wear your helmet!**

## Hinsdale Tennis Association Lesson Program

Tennis is a fun and exhilarating lifetime sport that can be enjoyed by all ages! This program is based on QuickStart Tennis which is an exciting new format sponsored and developed by USTA for learning tennis.
