## 2010 VARIOUS STREET RESURFACING PROJECT

The Village's contractor (**Central Blacktop Inc.**) will begin work on this project next week (**July 26, 2010**), weather permitting. Project scope may include patching, curb and gutter replacement, and some sewer repairs. The final portion of these improvements will include the milling and resurfacing of the streets. All work is to be completed by August 31, 2010. Access to driveways will be maintained at all times unless curb and gutter, driveway apron, and/or sidewalk replacement is required. Although parking on the street may be prohibited during the resurfacing project, parking on side streets will be permitted (except for County Line Rd.).

Listed below are the streets and limits for this year's resurfacing project:
