**Illinois Environmental Protection Agency
Annual Facility Inspection Report
NPDES Permit for Stormwater Discharges from
Municipal Separate Storm Sewer Systems (MS4)
March 2008 – March 2009**

Village of Hinsdale

SECTION A: Changes to Best Management Practices.

See the DuPage County Annual Report.

SECTION B: Attach the status of compliance with permit conditions, an assessment of the appropriateness of your identified Best Management Practices and progress towards achieving the statutory goal of reducing the discharge of pollutants to the MEP, and your identified measurable goals for each of the minimum control measures.

See the DuPage County Annual Report.

SECTION C: Attach results of information collected and analyzed, including monitoring data, if any during the reporting period.

See the DuPage County Annual Report

SECTION D: Attach a summary of the storm water activities you plan to undertake during the next reporting cycle (including an implementation schedule.)

Localized Drainage Solution Program –Continued projects extending storm sewers largely servicing drainage issues on private property. These include the Washington Alley project between Fourth and Fifth Streets and the Special Service Area #9 serving properties in the 300 block of East Ninth Street (north side of Ninth Street).

Continued implementation of Village-wide Stormwater Master Plan dated October 2008. New storm sewers were installed on Eighth Street between Madison and Garfield as part of the 2008 Road Program.

SECTION E: Attach notice that you are relying on another government entity to satisfy some of your permit obligations (if applicable).

The Village of Hinsdale is one of the co-permittees relying on DuPage County to satisfy some permit obligations.

SECTION F: Attach a list of construction projects that your entity has paid for during the reporting period.
