Swim Lessons - 4 Years and Up

Our Swim Lessons Program is designed with six levels of swimming ability, in swimming techniques and water safety. Each level is designed to provide the students with new swimming skills. A certificate is issued upon successful completion of each skill level.

Swim Lessons are held Monday through Thursday in two-week sessions. All lessons are held at the Hinsdale Community Pool. The student must be able to demonstrate each skill to move to the next level. Each child is tested to determine the level they start at. Makeup day due to inclement weather is Friday.

Register your child for the time slot only that you want. The levels will be assigned on the first day of lessons. Indicate the last level that your child passed if you know it on the registration form.

All classes close at 12 noon the Thursday before the next session starts.

Meet Hinsdale Pool's Dive Instructor, Roslyn Tischke!

Roslyn was a competitive gymnast for six years at BIG Gymnastics before she began her diving career. So far, while competing for Hinsdale Central High School, she has qualified for state both years, making finals as a junior. She also currently holds the varsity 11-dive record for HCHS. Outside of high school season, Roslyn does club diving through Windy City Diving. When she is not practicing, Roslyn can be found coaching for Hinsdale Swim Club, studying, or hanging out with friends.

Beginner Dive Lessons

The beginning lessons are for divers with limited to no dive experience. The goal of the beginning lessons is to give new divers a foundation for their approach, hurdle, back press, and to gain dives in as many of the dive categories as possible (back, front, reverse, inward, and twisters). Beginner lessons will focus only on 1 meter. These lessons will be engaging and fun for all ages and should be a great place for divers to gain fundamentals in diving.
