REQUEST FOR PERMIT

To: Village of Hinsdale
Dan Deeter, Village Engineer
19 E Chicago Av
Hinsdale, IL 60521

Comcast Application No.: RSS-JB3321
Village No.: _____
Expires On: _____

Dear Mr. Deeter,

Application is hereby submitted by Comcast & RS Service Systems for permission to perform the work as specified below:

To install new CATV cable at a depth of 36" min along the directional bore line as shown on the attached drawing.

REASON FOR WORK:

To install new CATV cable. New CATV cable will be installed between an existing CATV pedestal located on the South R.O.W. of Maple Street and a new CATV pedestal located in the rear easement of 123 Post Circle as shown in the drawing. All CATV cable will be installed underground using directional boring. Permit to include road bore underneath Garfield Street.

SEE ATTACHED DRAWING FOR MORE INFORMATION.

Note: All restoration will conform to the specifications required by the Village of Hinsdale, IL
Restoration to be completed within 14 working days of installation.
