Information

A Post Employment Health Plan (PEHP) account is a benefit that has been established for you, your spouse, and/or your qualified dependents, by your employer when you separate from service. Your PEHP account will be used to provide for reimbursement of qualified post employment expenses for medical care, including expenses for medical insurance, which are incurred during post-employment period.

If you have an account for qualifying medical care expenses, your account will be automatically paid out when you submit a claim for the following approvable medical expenses:

- Medical co-pay or deductibles that are your responsibility, but are not reimbursed by your insurance plan;
- Health care premiums;
- Eye care, including examinations, glasses and contact lenses;
- Routine physical examinations;
- Dental care, including routine dental check-ups with orthodontia, and dentures;
- Hearing care, including examinations and hearing aids;
- Prescription drugs.

For more detailed information regarding qualified medical expenses, refer to Publication 502, available on the Internal Revenue Service website at www.irs.gov.

NOTE: Please submit itemized invoices of paid medical expenses with your claim.

If you have an account for health care insurance premiums, your account will be automatically paid out when you submit a claim for the following approvable post-employment insurance expenses:

- Health care premiums
- Medicare premiums (subject to plan guidelines)
- Medicare Supplemental Insurance Premiums (Medi-Gap)
- Eye care policy premiums
- Dental care policy premiums
- Prescription drug policy premiums
- Health care premiums - provided under your employer's COBRA benefits
- Long-term health care premium expense

NOTE: Please provide proof of policy type, amount, and period.

If this is an adjustment to an existing claim you will need to include an updated policy showing the new amount for each premium being requested.

You must complete Section 6 if you prefer to be reimbursed directly to your bank account.

You must complete Section 7 if you prefer to have your former employer reimbursed directly for insurance premiums they pay on your behalf.
