PARKING DECK UPDATE

UPDATE #10

- Sheet piling has been removed from all areas with the exception of by the gym doors.

- The storm trap will be delivered the first week of October. Water proofing will occur and the concrete storm trap pad will be poured. The storm trap will be delivered one week late but will not impact the parking deck completion date.

- Please visit www.villageofhinsdale.org to track the progress of the parking deck. The website will also include a link to frequently asked questions.
