### **Village to Host First Meeting of the Ad Hoc Tollway Advisory Committee to Oppose the Potential Widening of I-294**

**Hinsdale, Ill.** – The Village of Hinsdale is hosting a public meeting on Thursday, March 9, 2017, at 7:00 p.m. to assemble an Ad Hoc Tollway Advisory Committee to the Village in its efforts to oppose the Illinois Tollway Authority’s potential widening of I-294. The meeting will be held at the Hinsdale Middle School – 100 S. Garfield Street. All are welcome to attend.

The purpose of the meeting is to identify those residents who want to take a more active role, lend their expertise and serve the community as part of this new committee constituted to assist the Village in its efforts to oppose any potential widening of I-294. The Village also hopes to identify those residents with skills in the area of engineering, communications, public relations and community activism who are willing to share those talents with the Village in its mobilization efforts.

Village staff and officials will be present at the meeting to provide an overview of the efforts undertaken by the Village to date and will outline for attendees a framework to continue advancing this initiative.
