Re: Sterigenics International Inc., Willowbrook, IL

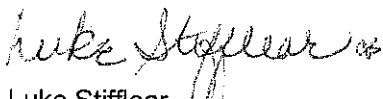

Dear Ms. Madigan,

I am writing to express the Village of Hinsdale's concern with the continued operation of the Sterigenics International facility in Willowbrook, particularly in light of recent EPA and independent air quality testing results.

Please take any and all necessary actions to protect the public health and welfare until it can be proven that the inside and outside air quality in our area is safe, and there is no risk to the public.

Your serious consideration and prompt action is appreciated. Please contact me if you have any questions or would like to discuss the issue further.

Sincerely,

Luke Stifflear
Village Trustee
