APPLICATION FOR PRELIMINARY CERTIFICATE OF APPROPRIATENESS REVIEW

The purpose of the preliminary application review is to broadly acquaint the Commission with the applicant’s proposal and to provide the applicant with any preliminary views or concerns that members of the Commission may have at the time in the process when positions are still flexible and adjustment is still possible and prior to the time when the applicant is required to expend the funds necessary to prepare the complete documentation required for a formal review.

At the meeting, any member of the Commission may make any comments, suggestions or recommendations regarding the preliminary application deemed necessary or appropriate by that member; provided, however, that no recommendation shall be made, and no final or binding action shall be taken, with respect to any preliminary application by the Commission. Any views expressed in the course of the Commission’s review of any preliminary application shall be deemed to be only preliminary and advisory and only the individual views of the member expressing them. Nothing said or done in the course of such review shall be deemed to create, or to prejudice, any rights of the applicant or to obligate the Commission, or any member of it, to approve or deny any formal application following full consideration thereof as required by this Title.
