A program which provides regular well-being checks for senior citizens who live alone.

You Are Not Alone (YANA) Program

The You Are Not Alone (YANA) program was created as a free service by the Hinsdale Police Department. It is intended for senior citizens who live alone and would benefit from someone to check on their welfare on a regular basis.

YANA is a wonderful resource for elderly residents who enjoy the independence of living on their own, but have no friends or relatives nearby to check on them regularly.

The program is staffed by volunteers at the Hinsdale Police Department and is overseen by Crime Prevention Officer Michael Coughlin.

How does the program work?

- A weekly phone call is made to the resident who is enrolled in the program. The phone call consists of checking on the well-being of the resident as well as notifying him/her of any information that may improve their safety and security.
- If no contact is made with the resident at the assigned time, the emergency contact provided will be contacted.
- The program will not provide any medical assistance, service or advice, travel or transportation assistance, labor, or financial assistance or advice.

How do I apply?

- An application form is filled out by the senior citizen client.
- An interview is conducted with the client by the volunteer coordinator. The interview is best done in person but can be done by phone if needed.

Applications forms can be obtained from the Hinsdale Police Department or online at <http://www.villageofhinsdale.org/pd>

What are the requirements for registration?

- Resident of Hinsdale
- Self-sufficient individual 65 years or older who is home alone during the day or lives alone.
- The resident must have an emergency contact person available.
- The resident must be able and willing to respond to phone calls and/or visits.
