VILLAGE PRESIDENT’S REPORT

President Cauley thanked everybody from all departments for their help with the Fourth of July Parade and festivities. From Parks & Recreation he thanked Heather Bereckis, Maggie South, Jillian Boger, Sammy Hanzel and Brian Powell. From Public Services he thanked John Finnell, Wes Phenegar, Don Miller, Logan Albanese, Vern Gilot, Griffin Driscoll, Pete Lambert, Juan Marin, Rich Roehn, George Peluso, Brendon Mendoza and Eric Kasperski. He thanked the Police Department for parade enforcement and street closures, and the Fire Department for organizing all the fire departments in the parade and housing the turtles for the turtle races. He also acknowledged other staff volunteers; Brad Bloom, Emily Wagner, Jean Bueche, Darrell Langlois, Allena Kraft, Michele Larson, Anna McClean, Grace Castro, Ashley Piontkowski, Jason Pacanowski, Ceara Sheehan, Meghan Deitrich, Lexi Berquist and Maria Chagoya. He also thanked the Rotarians, and noted the passing of Mr. Greg Donnelly. The turtle race was held in his honor this year.

PROCLAMATION – PARKS & RECREATION

President Cauley read the proclamation announcing that July is Parks & Recreation month. He also pointed out that Hinsdale does not have a Park District, which is a benefit to tax payers.

CITIZENS’ PETITIONS

None.

FIRST READINGS – INTRODUCTION

Administration & Community Affairs (Chair Hughes)
a) Approve an Ordinance Amending Various Sections of the Village Code of Hinsdale Relative to the Village’s Fiscal Year
Trustee Hughes introduced the item and reminded the Board this issue had been discussed at the joint Committee of the Whole and Finance Commission meeting, and there are good reasons to change the fiscal year from April 30 to a calendar year. He explained that a lot of work straddles the fiscal year, which is always disruptive, but with the ERP conversion, this is the time to make the change.

President Cauley added it may be rough for the ‘stub’ year (2019), but worth it in the long run. Finance Director Darrell Langlois confirmed the budget and CIP process for next year will start right away. Village Manager Gargano added the Board will be provided the same CIP binder, but it may not be as thorough as in the past. The Board agreed to move this item forward for a Second reading at their next meeting.

b) Approve an Ordinance Authorizing Transfers of Appropriations within Departments and Agencies of the Village
Trustee Hughes introduced the item and explained this is an annual housekeeping item that trues up the dollars in accounts within departments. The Board agreed to move this item forward for a Second reading at their next meeting.

c) Approve an Ordinance Amending Subsection 3-3-13A of the Village Code of Hinsdale Related to the Number of Liquor Licenses
Trustee Hughes introduced the item that will change the allocation of Class B liquor licenses. The B2 license will increase by one, and the B1 license will decrease by one. Baldinelli’s has requested permission to add spirits to their current beer and wine license to accommodate customer requests. Mr. Vince Distasio, owner, addressed the Board and explained they are trying to increase revenue and be more competitive in the town. The Board agreed to move this item to the Consent agenda of their next meeting.

d) Award the design engineering services for the 2020 Infrastructure Project to HR Green, Inc. in the amount not to exceed $141,870
Trustee Byrnes introduced the item that is the design and engineering project for 2020. This will include resurfacing of Chicago Avenue between Stough Street and the water plant on Symonds Drive, as well as the resurfacing of Chicago Avenue from Route 83 to Garfield Street. The Village will receive federal Surface Transportation Program funding for this project. The vendor must be chosen using the Qualifications Based Selection (QBS); HR Green meets those requirements. President Cauley added QBS is a highly systematized process to pick a vendor. Strand was leading, but couldn’t reach a resolution on numbers. HR Green had the best price after negotiations. Discussion followed regarding the pricing and the use of the same vendor too often. This project is slightly over budget because of the addition of a water main line at the BNSF tracks. Trustee Byrnes noted the Village did the water main south of the tracks last year, and will do the north side of Chicago Avenue this year. Director of Public Services George Peluso explained they didn’t want to leave old pipe connected to new pipes at this location. This is a 1923 pipe, and this is the opportune time to replace. Mr. Peluso said he hopes to use trenchless technology, and other techniques as the process moves forward. Following the design phase, he believes we will get good pricing on the construction bidding.
The Board agreed to move this item to the Consent agenda of their next meeting.

**Zoning and Public Safety (Chair Stifflear)**

e) **Approve an Ordinance Approving A Second Major Adjustment to a Planned Development Final Plan, Site Plan And Exterior Appearance Plan for an Emergency Backup Generator at 306 West 4th Street – St. Isaac Jogues Parish**

Trustee Stifflear introduced the item to install an emergency gas generator slightly larger than that which is allowed in residential areas at St. Isaac Jogues church. He believes the proposed generator is well-secluded from neighbors; screened by the building on three sides and a new fence on the fourth side. With respect to the sound, this generator is within the allowable limits. The Plan Commission held a public hearing; there were no comments from neighbors. They unanimously approved the item with the condition that the monthly testing of the generator be performed between 10:00 a.m. and 2:00 p.m. as is customary in residential neighborhoods.

The Board agreed to move this item forward for a Second reading at their next meeting.

f) **Approve an Ordinance Approving an Exterior Appearance Plan for Facade Improvements at 24 W. Hinsdale Avenue**

Trustee Stifflear introduced the item which is a façade improvement to the old Hartley’s bicycle shop which is being converted to a clothing store. This property is located in the B-2 Central Business District; the proposed changes will not affect building height, setbacks or lot coverage. He described the proposed changes to the building, designed by Michael Abraham Architects, which are in keeping with the historic nature of the building. There were no public comments at the Plan Commission public hearing, resulting in unanimous approval. Although, the Village Board does not have approval on signage, the Plan Commission and the Historic Preservation Commission approved and recommended the signage.

The Board agreed to move this item forward for a Second reading at their next meeting.

g) **Approve an Ordinance Amending Sections 6-12-3 (“Schedule III; Stop Intersections”) and 6-12-4 (“Schedule IV; Yield Right of Way Intersections”) of the Village Code of Hinsdale**

Trustee Stifflear introduced an item to change nine (9) intersections from two-way yield to two-way stop signs. He explained that the Police Department uses the Manual of Uniform of Traffic Control Devices (MUTCO) meets standards, site distances, traffic volumes and crash history. It was noted there has been a small increase in resident requests for signage, but the MUTCO standards must be met.

Assistant Deputy Chief Tom Lillie explained these requests have come from residents and Village Board suggestions; and Trustee Byrnes commented he believes it is a good idea to make the intersections more consistent.

The Board agreed to move this item to the Consent agenda of their next meeting.
CONSENT AGENDA

b) Approve the award of Bid #1657 for the Katherine Legge Memorial Park & Burns Field Platform Tennis Court Resurfacing to Reilly Green Mountain Platform Tennis in the amount not to exceed $42,319.55

Trustee Hughes introduced the item and noted there was no first reading on this item due to time sensitivity. Last year this bid was over budget, the Village went out to bid again, but there was still only one bidder and the price did not go down. As we transition to the new operating arrangement with HPTA, this work needs to get done. It was noted that Reilly Green Mountain is the same bidder as last year. Finance Director Darrell Langlois explained the new bid is a slightly better price because of different materials.

Trustee Hughes moved to Approve the award of Bid #1657 for the Katherine Legge Memorial Park & Burns Field Platform Tennis Court Resurfacing to Reilly Green Mountain Platform Tennis in the amount not to exceed $42,319.55. Trustee Banke seconded the motion.

Zoning and Public Safety (Chair Stifflear)

d) Approve rejecting competitive bids received on bid #1656 for the purchase and installation of eight GETAC V110 Convertible Laptops and approve the purchase of eight GETAC V110 Convertible Laptops, adaptors, and docking stations under the terms of the OMNIA Government Purchasing Cooperative, from Insight Public Sector, 6820 S. Harl Ave., Tempe, Arizona, in the amount not to exceed $31,378.22 (First Reading – June 11, 2019)

Trustee Stifflear introduced the item and reminded the Board there were questions on this matter at the first reading, the Request for Board Action (RBA) attempts to address those concerns, and explains the change in the recommended vendor. This item is for the purchase of eight GETAC convertible laptops to be installed in fire department vehicles. These are the primary communication with DuComm, and are preferred because of the size of the screen, the functionality of the keyboard, the rotating screen, and the ruggedness and high temperature ratings of the units.

This RBA attempts to remedy the price comparison between three different models and provide a more ‘apples to apples’ comparison; these prices to not include installation. Following the June meeting of the Board, staff was able to get a price from a public sector cooperative. Trustee Stifflear noted the price is within the capital budget, and believes the everyday use of the computer warrants the higher price. Although Downers Grove purchased a cheaper computer, over 500 other municipalities use the model staff is recommending. Discussion followed regarding clarification of the details of the RBA.

Trustee Stifflear moved to Approve rejecting competitive bids received on bid #1656 for the purchase and installation of eight GETAC V110 Convertible Laptops and approve the purchase of eight GETAC V110 Convertible Laptops, adaptors, and
docking stations under the terms of the OMNIA Government Purchasing Cooperative, from Insight Public Sector, 6820 S. Harl Ave., Tempe, Arizona, in the amount not to exceed $31,378.22. Trustee Banke seconded the motion.
