Reject the Sole Bid for the Veeck Park Multi-use Path from Mathew Paving in the Amount of $52,122

President Cauley introduced the item stating that the bid came in way over what we expected; $16,000 had been budgeted. The thought would be to reject this bid, figure out why there was such a large discrepancy and how to move forward. Trustee LaPlaca moved to Reject the Sole Bid for the Veeck Park Multi-use Path from Mathew Paving in the Amount of $52,122. Trustee Haarlow seconded the motion. Trustee LaPlaca commented that this was a debated topic from the beginning as to whether or not we should install a path, what the construction should be and where it should be located. The Village originally budgeted $35,000 for a paved path, but determined that a hardscape path was dangerous. A better idea was to install a gravel path which should have been less expensive. She suggested that when we revisit this project we should determine if the use justifies the greater expense. President Cauley concurred.

He further explained that he hopes to complete the project by October 1st and noted the lot will have to be closed during part of the work. He is working with the Police...
Department on this issue. He intends to do some work on Saturdays, and lot users will be notified. Village Engineer Dan Deeter described the considerable repaving and patching in the lot, but he anticipates the work will take two weeks or less.

ZONING AND PUBLIC SAFETY

Approve an Ordinance Approving Site Plans and Exterior Appearance Plans for the Construction of a New Two-Story Office Building, with a Surface Parking Lot, at 330 Chestnut Street

President Cauley introduced the item and explained that the matter had been approved at the June 23rd ZPS Committee meeting, was unanimously approved by the Plan
Commission and required variances which were unanimously approved by the ZBA. Director of Community Development Robb McGinnis said there was a concern from a resident regarding parking issues; however, Chief Bloom has corrected the signage in the area and the Children's Academy has moved, making the parking volume issue moot. Trustee Saigh noted the ZPS Committee was laudatory about the design and creativity of the proposed structure. The few concerns raised were properly and satisfactorily addressed by the developer. This was a difficult piece of property. Mr. David Habiger, the owner and developer of the property, said they would like to break ground in November, but realistically probably not until February 2015. Trustee Saigh moved to Approve an Ordinance Approving Site Plans and Exterior Appearance Plans for the Construction of a New Two-Story Office Building, with a Surface Parking Lot, at 330 Chestnut Street. Trustee Haarlow seconded the motion.
